What did they do?: Christina has created a fabulous online exhibit of 16 of the Japanese Woodblock prints of the Sino-Japanese War: http://scrcexhibits.omeka.net/collections/show/1 [3]. The exhibit has images with metadata, images of the signatures, information on the artists, and videos of how the woodblocks were made. This is an exciting advance in our ability to share our unique collections with researchers across the world.

Shouter's name: Anne Cooper Moore
