Alumni are welcome to visit the library and use our collections while they are in the building. Alumni may request that materials stored off-site be brought to Morris Library for their use while they are visiting.

We have a small number of computers that do not require a username and password for the use of visitors to Morris Library. The library will issue one-day guest login, limited to 5 times per fiscal year, for use at computers requiring a username and password.

For additional privileges, Alumni may purchase a Courtesy Card [2]. Members of the Alumni Association will receive a 50% discount. Courtesy card holders may check out circulating items and are issued a username and password for unlimited access to the library's computers.

Access to our online databases and resources is available while in Morris Library using one of our computers. Remote access is not available to alumni or other visitors.

Remote access to JSTOR, a database of full text non-current scholarly journals, is available to Alumni Association members via the Alumni Association's website: http://siualumni.com/s/664/start.aspx?pgid=61&gid=1&sid=664 [3].
