Morris Library has three public bulletin boards. They are located at the east entrance, south entrance, and just inside the library security gates at the north entrance. The purpose of the Library’s public bulletin boards is to provide a venue for communicating campus-related news and activities, plus other items of interest to the SIUC community.

Circulation Services staff and student assistants have responsibility for monitoring and maintaining the materials posted on the bulletin boards. All posted materials will be removed on the last day of each month, unless the advertised event is yet to occur. Materials may not be posted beyond the border of the bulletin boards or, on walls, elevators, windows, doors or furniture of the library.

Table tents are not permitted in Morris Library.
