Disability Support Services

- Services [1]

Morris Library offers a number of services to disabled patrons.

**Assistive technology in the DSS Room**

**Retrieval and help with photocopying of materials in the library**

Contact the first floor Information Desk to use this service.

**Research assistance**

Contact the first floor Information Desk to use this service.

**Hours**

The DSS Room on the first floor of Morris Library behind the Information Desk is open the same hours as the Information Desk ([View the hours][2]).

For help with disability support issues in Morris Library please contact Matt Borowicz (phone: 618/453-2818; [mborowic@lib.siu.edu][3]).

Patrons who need in-depth training in using the software should contact the [SIU DSS office][4] (phone: 618/453-5738).
