- Giving to Morris

Morris Library is the cornerstone that allows Southern Illinois University Carbondale to fulfill its core mission of teaching and research—it is a major educational force in the region, state, and nation. The breadth and depth of the Library's collection assists the University in attracting the brightest students and extraordinary faculty. The Library's facilities, services, and holdings are utilized by students on campus, patrons in the community, and scholars around the world.

To maintain and expand this resource private support from friends, alumni, corporations, and foundations is critical.

Thank you for your support.
