- Help With [1]

Morris Library has printers and copy machines on the 1st and 3rd floors. A scanner is available on the 1st floor near the Information Desk.

All printing and copying in Morris Library require a Debit Dawg (SIU ID) card or copy card.

- Copy cards are only necessary if you do not have an SIU ID card. They are available from the Debit Dawg kiosk on the first floor of the library.
- Copy cards can only be purchased with a $1 bill. Cards cost $0.50, so a new card contains $0.50.
- Money can be added to both Debit Dawg and copy cards at the kiosk.
- Coins are not accepted by the printers or Debit Dawg kiosk.
- Refunds for printing are available by filling out the Campus-Wide Printing's online refund form [2].
