### Other Rooms

Morris Library has a number of group study rooms that accommodate smaller groups of four to six and larger groups of twelve to eighteen. Some rooms are equipped with tables [1] and others feature more relaxed seating [2]. These rooms are located throughout the library on floors three to five. These group study rooms are not listed here as they are generally reserved for group study by students. However, upon request, the Library would consider use of these rooms for meeting breakout sessions, if appropriate. Please contact the **Library Administrative Office** [3] (618/453-2522) for more information.
